**Subject:** ADVANCE NOTIFICATION - Briefing to New Jersey DEQ on PFAS Identification

Good afternoon Bruce and Andy,

Please find attached the draft slide deck that will be used in the briefing Andy Lindstrom, John Washington, Mark Strynar, and James McCord will be giving to the New Jersey DEQ and Region 2 on December 9, 2019. The briefing covers the work ORD has been doing in collaboration with the NJ DEQ to detect, identify, and assign sources for multiple poly- and perfluoroalkyl substances in environmental media from an industrialized area of New Jersey.

Please let me know if you have any questions or concerns.
